Education

Massachusetts College of Art, MFA, 2009

East Tennessee State University, BFA, December 2002

Work Experience

Solomon R. Guggenheim Museum, Exhibitions; New York, New York; August 2009-present

Preparator

-In this position I fabricated and installed/uninstalled exhibitions.

ROSO; London, England; October 2009

Installer

-In this position I installed a custom fabricated art work at the Ames Building in Boston, Massachusetts.

Massachusetts College of Art, Exhibitions; Boston, Massachusetts; September 2007- present

Preparator

-In this position I fabricated and installed/uninstalled exhibitions.

Skyline Design; Chicago, Illinois; December 2006- 2007

Carpenter/Builder/Installer

-In this position I built products from designer drawings and installed them.

A-myriad Designs; Chicago, Illinois; October 2006- December 2006

Carpenter/Builder/Installer

-In this position I built and installed furniture and closet systems constructed from sheet goods and aluminum.

Main Street Trading Company; Milford, Ohio; September 2005- September 2006

Furniture Builder

-In this position I built furniture starting with rough lumber. I did glue ups, assembled cases, cut mortises and tenons, dovetailed and fitted drawers and completed final assembly.

B.A. Framing; Houston, Texas; December 2004-August 2005

Framer

-Here I assembled frames, cut mats and glass, dry-mounted prints, and assisted customers with color and arrangement choices

Horowitz Management Corp; Troy, New York; October 2004- December 2004

Carpenter

-In this position I did finish carpentry.

Lowe's Home Improvement; Schenectady, New York; 2003- October 2004

Team Leader

-In this position I assisted customers with decisions regarding the appropriate flooring products to be installed in their houses, created estimates based on home measurements and finalized sales. I also maintained the flooring department and stocked materials.

BOCES; Hudson Falls, New York; 2003

Substitute Teacher

-This position entailed substitute teaching for various schools and grades.

Halfpipe Mikes; South Glens Falls, New York; 2003

Designer/Lead Builder

-Here I was responsible for the design and construction of this brand new skate park. The job involved framing and sheeting complex angles and concave and convex curves.

East Tennessee State University; Johnson City, Tennessee; 1999-2002

Office and Teacher Assistant; Dark room technician

-In this work-study program I performed various office tasks and aided the teachers and faculty in the Art and Design department. I also maintained the darkrooms and darkroom equipment, shot and cataloged slides, cataloged archival prints, and prepared prints and slides for shipment.

Michael's Craft Store; Johnson City, Tennessee; 2000-2001

Framer

-Here I assembled frames, cut mats and glass, dry-mounted prints, and assisted customers with color and arrangement choices.

Awards and Distinctions
